Rig's brakes fail

A tractor trailer unit overturned Monday at 3:26 p.m. when the brakes went out and the unit failed to negotiate a turn from Chestnut Expressway onto East Trafficway. John Mitchell Hale, 26, of 2048 South Florence, driver of the truck belonging to Finkbiner Transfer and Storage, 513 West Olive, was cited on a complaint for defective brakes. Traffic was detoured for five hours and units from Station 3 stood by for two hours in case of fuel leakage.
